**Transamerica Announces May 20 Web Seminar on Medicare
and Other Health Care Options in Retirement**

*Financial expert Bob Regenfuss will discuss potential
sources for health care coverage in retirement.*

Transamerica announced today that it will host “Health Care in Retirement: Medicare and Other Coverage Options,” a free educational web seminar about the potential sources for health care coverage in retirement. The event will be held on May 20 at 1 p.m. ET, and anyone can participate.

This presentation is the second in a series of retirement planning web seminars hosted by [Your Financial Life](#), a free retirement planning and counseling resource provided by Transamerica. The one-hour event will include an interactive question and answer session.

The web seminar’s featured speaker is Bob Regenfuss, a financial expert and regional manager at Transamerica Retirement Solutions. He holds the FINRA Series 7, 63, and 66 registrations and is a Chartered Retirement Planning Counselor (CRPC®) professional. Regenfuss has dedicated most of his career to the retirement planning industry and is passionate about helping individuals better understand important financial topics that can impact their lives.

“Navigating and choosing health care options in retirement can seem confusing at best,” said Regenfuss. “Oftentimes people don’t know where to begin. That’s why we’re here. We can get people pointed in the right direction, connecting them with experts who can help simplify these important yet complex financial topics.”

Those interested in attending the event can [register here](#) or call 855-705-8644. Space is limited, so early registration is recommended.
